Hi Karen,

Attached are the folders for Wilmington and former San Pedro Boat Works @ POLA. These are the only sites that are currently active.

For the former San Pedro Boat Works site, I don't have the latest version of the approval in Word/pdf, since Nicole made same changes to it as part of her review, so you should probably get those directly from Steve. I placed the signed hard copy of this conditional approval on your chair so that you can send out. I thought it would be best if it came from you rather than me, since I will no longer be involved.

Let me know if you have any questions.

Thanks!
